

TBR SPRING/SUMMER 2020 COVID SAFE WATER JUMP SEASON

Please read carefully the information below regarding Covid safe water jump operations to commence this Saturday 14th Nov. Additionally, I ask you all to read and adhere to Snow Australia Covid Safe Water Jump Policy. Below are some key points:

- 1. Every morning prior to training ALL PATRONS ENTERING THE FACILITY (incl parents) will have to complete a quick Covid questionnaire on their phone. The QR code (below) will bring up your details - alternatively can be accessed here: <https://www.snow.org.au/events/79996/>**
- 2. It is the start of a new Snow Australia Membership water jump season - please ensure your Snow Australia Membership AND Snow Australia Water Jump pass is up to date prior to coming to training. (note: this is separate to TBR coaching fees – similar to lift pass at resort).**
- 3. Only one parent to drop athletes off and no parents allowed down onto the grass areas beyond parking lot etc. (athletes and coaches only). *Preferred if parents can drop kids and return to collect rather than socialising at the facility.***
- 4. SAFETY MESSAGE: there is a MASSIVE disguised pot hole at the bottom of the steep hill as you drive down beside the aerial ramps that is hard to see. Please drive SLOWLY down that hill when you're arriving. There is a hazard marker next to it but it is still easy to miss.**

Hover phone camera over this QR code for Covid daily questionnaire.

LIMITED PARTICIPANT NUMBERS

Please note that under current regulations we are restricted to training in groups of 10 athletes. Once restrictions ease again we can increase the capacity. The water jump dates are listed further down this document.

There will be two starting times (7:30am warm up & 9:15am warm up) - *priority to senior athletes and athletes with previous highest water jump attendance.*

Currently the 7:30am starting group is full with athletes confirmed to attending all sessions. Understand that there are a large number of highly committed athletes who have attended almost all water jump session in the past 18 months and it's only fair that priority is given to those athletes.

There are a few places remaining for athletes to join the later sessions (some dates are getting very close to full on those too so confirm with me ASAP or you may miss out.

EQUIPMENT

Please note that sharing of any equipment is not allowed (covid safety) and all equipment plus drink bottles etc. should all be named.

You must come prepared to every session with functioning skis, boots, strap systems and correctly adjusted bindings to ensure coaches aren't distracted from their coaching duties during session times helping athletes organize equipment. *See the Equipment recommendations in detail on the equipment page of the TBR website.*

Under current Covid restrictions, no equipment may be left in the change rooms at the water jump. Skis may be stored around the right hand side of the change room building (not on the front wall). Please take all ski boots, wetsuits, helmets, life vests etc. home each day.

All TBR water jump athletes are required to bring their own exercise bands and a towel or yoga mat for warm up each day and should arrive wearing appropriate exercise clothing and shoes to warm up in.

WATER JUMP DATES

SPRING	WEEKENDS	SCHOOL HOLIDAYS	
Saturday	14th Nov	Saturday	19th Dec
Sunday	15th Nov	Sunday	20th Dec
Saturday	21st Nov	Monday	21st Dec
Sunday	22nd Nov	Monday	4th Jan
