TBR Additional School Holiday Training September 20-23

Mother Nature sure has provided a great 2014 season, highlighted by strong early season snowfalls in June and July, followed by blue skies in August/September.

With the snowmaking areas still having a good cover, plus the terrain parks remaining open, we are excited to announce that we are offering additional school holiday training.

Spring Skiing at Mt Buller is always a highlight, with soft snow, warm temps, slush bumps & jumps and big smiles.

TBR School Holiday Training will be available to anyone interested in seasonal programs at Mt Buller, and is an ideal way for any athletes to try TBR if interested in joining the program in 2015.

Please pass this document on to anyone who may be interested.

Coaches from TBR Mogul, Grom and Freeskiing will be available to take groups. Group sizes will likely operate with a ratio of 6-10 per coach.
