

TBR:BOUNCE INC SESSIONS

Team Buller Riders (TBR) has now been running acrobatic training sessions at the leading BOUNCE INC facility for over two years.

We see acrobatic/trampoline training as being essential for all TBR athletes, and first step to learn new tricks in a safe, controlled environment. Acrobatic/trampoline training is then linked to performing jumps on water and finally on snow.

BOUNCE INC is a spectacular venue for the TBR athletes, with over 100 interconnected trampolines, foam pits, dodge ball courts, performance trampolines and “the wall”, leaving no doubt that the athletes will be impressed.

TBR coaching will be provided on the performance trampolines, where three of the trampolines and also a foam pit will be exclusive for our use.
